Certificate of Approval

This is to certify that the Management System of:

ATMOS International Ltd

14607 San Pedro Avenue, Suite 120, San Antonio, TX, 78232, United States

has been approved by LRQA to the following standards:

ISO/IEC 27001:2022

Approval Number(s): ISO/IEC 27001 - 0081043

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Supply, design and installation of pipeline leak detection (fixed and portable), simulation, optimisation and management systems including configuration and associated maintenance and support to all markets including Oil, Gas, Water, Chemical and Aviation.

Marta Escudero

Regional Director, United Kingdom and Americas (UKAM)

Issued by: LRQA Limited

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
